Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. III. STATEMENT OF CLAIM

Place(s) of occurrence: NEW YORK CITY AND BROOKLYN

Date(s) of occurrence: 02/15/21 - 03/09/21

FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

Twice in a short space of time plotters and a family member on Joel babies mother side tried to physically kill him. The lights on my side went out the same two times his did. This morning for a split second I experience the split darkness.

Following the pattern of the money trail is simple. I donated approximately twenty (20) million to my brother Joel to hold for Dwayne (my son) and the three orphans: Tahir, Dimitri and Alega. Evil doers said "move with the money."

My brother Joel was already a millionaire. My brother was intentionally turned into a drunking monster by the defendants. It was done to purposely hurt me and steal from him. Use

the right one" a defendant said.

A "marker" was brought in to take control of his life and watch after his child when she visits him. She or the old care-giver was living off him - sucking his blood. Burns they are.

Other bullies were assign to him or to come over. Jesus said "A man dwelling in a hole" I saw people from government agencies playing mas swiping in and swiping out to extract money later.

Two houses were bought. Do not go out yet.

INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

Decrease in vision, memory, hearing. Decline health and hygiene. Blurry eyes, temple pain, neck pain, chest pain. Blocked paths to housing + food. Oppression. Stalked, monitored. Traumatized. Overwhelm. Exposure to the elements. Swollen ankles. Reek from dirty clothes. harassed. mental stress. uncomfortability.

IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to bring in the Biden Team, C.I.A, F.B.I and L. James to investigate.

I would like to ask the court to order the defendants restore all what was scribbled and to compensate me for creating hardships, stressors, and

Catch a Cab by me
and also by Joel

you will get shot." I heard one defendant say to some one.

Dwaine had to be present for the swiping to initiate. They said "it was a smart move with a smart phone."

Evil-doers left back a little bit for him so I heard them say. They are trying to convert him to their lifestyle of cult and woo. He is giving problems. I heard they said "he don't want to go to school."

They baptize him but he said "no to marriage."

My brother said "They cannot transform or teach him Jack."

In a comotore stage the old care-giver coaxed him to give my court files to her. I left two trolleys of files at his apartment.

Comotoredly he gave them to her. She was told to "pack up and leave now."

I heard she said "this is my house now."

Previously I heard she told someone "She read all." A defendant said to her "I love your multi-color shoe."

All my early court files are placed in rainbow color files casings.

Here is the Kicken. He was told "no one would sell him a house in that condition."

An evil-doer said "move in with me" - "I feel sorry for you."

Of course sex is involve - must be in that package. I heard someone said "I can do a lot with all that money."

I have given Dwaine about 12 million. Approximately 8 million was donated to the orphans. Where is this money now? I gave to Joel?

FACT (3)

Joel Isaac
305 Linden Blvd
Bklyn NY 11226

Did the recipients get any money at all?

What did the recipients do with it - if received?

Others came in - the door was held open.

Smart phones or not these hoodlums make me sick.

"A man I don't know hand me this" I heard the old care-giver said showing my files.

Another defendant/evildoer said "trains switched".

Jail, jail, jail. Jail them all. How dare these dark siders try to physically kill my brother for his loot and mines. His baby mother gets nothing. I have been saying so a long, long, time now. Her family members get nothing (here or in Haiti).

Which stripper wants him to come for free and live with her. You think you slick. You want free connection and free swipe ins there after. Give my brother Joel his money back - all.

No free connections or swipe ins for none of you.

The defendants re-wired his elevator completely. I see him being strapped down to stabilize him. The outburst given to him is outrageous. His baby mama is in cohorts with the defendants and have contributed greatly to his downfall.

The defendants need to put back what they took out of him and left him shivering to death. Jesus stayed with him. I saw it. Jesus told him "it was safe to wake up now." The dark side surgeons are evil. Manipulators stay away from my brother. Will my brother's money to me - call as of 03/09/21. His baby mama means him no good. I have said so - written it a long, long, long time ago.

Put my files back - all of them.

PS

"Looking at it will make you shake" they say -
"The element"

FACT (3½)

My brother was a normal functioning person until God started blessing him with stock market in 300 lots.

The defendants stepped in - big, big, problems.

FACT (4)

The inflictions and very, very cold-heartedness let out in the early morning hours last Friday on my son and myself can only be described as evil and inhumane. The inflictions were done by the N.Y.P.D. and a couple helpers.

I would call it mental torture. Duane can tell the Biden team about physical torture on land if there was physical torture. I confronted Duane a couple of times and said to him "Tell N.Y.P.D. no money for them".

Last Friday night was bitter cold. N.Y.P.D. had him running around like a black little immigrant monkey stealing my money as he passed by. That's the mission he was sent on. I saw him and another man go into two different banks Apple and T.D. Banks.

The young man over at T.D. Banks stood a much longer time than the one at Apple Bank. It aches me to see both men being so badly abused and used by someone I would describe as a monster. Twice I came out in the middle of the street shouting out the wrong about N.Y.P.D. was doing as the cars approached and stopped at the traffic lights.

Does N.Y.P.D. call super blinding projection lights mounted on a few of their cars "crack the glass". I believe the lights projection directed on me as I sat inside my truck crack or damaged the cells in my eyes. I believe NYPD thought the light projection was a nice way to have fun. N.Y.P.D. blasted those lights at my eyes twice.

I heard my son said something about "that is what you force me to do". I don't know if it was to assist with the "sick"

light projection penetration. The blasting was intentional and was done to make me blind quicker. That is just so stone cold.

I felt my feet slightly dragging and the chair I sat on moved a bit. My bottom started slipping off the chair as I grabbed the sides for support. I know the full projection and slamming on the cold concrete was only stopped because the monitors detected I was awake not asleep.

I had enough. I had to get out the "lower store nook". It was brutal because of the cold and windy condition at about 3:30am. I had to move again from the second nook on 72nd Street because apart from NYPD on my heel I noticed my life could have been in danger.

I saw a scenario that appeared to me an unlicensed gun could have entered the picture. A man driving a car dropped something into a roadside paper-holder receptacle then pulled up alongside NYPD conversing.

I had to let someone else besides NYPD know what was happening. I called 911 but said told them "don't call NYPD they are the ones." Within seven minutes NYPD showed up by the Trader Joe location I stood at. I used the public charging device there and made the 911 call.

I started to move on the street motioning and shouting to them "move/stay away - I don't want your help." I thought about the unlicensed gun. I did not trust them. Car #44541 and the two occupants stood using their phones, connecting to me to financially deplete me there.

Oh, so cold - very, very cold. I mentioned the

phone bodily connection to them. One said to me "Stop from harrassing them".

I personally believe this officer has mental issues. I had said to him "let my son free and you cannot shoot me in my back" as I was walking away from the second 7th 3rd street north.

I had loudly shouted out towards the direction of the car "I am in love with Jesus - I would never leave Him and I love Him more now than I did before".

I believe someone said "does it look like Jesus still live there". They were looking at my physical condition.

Is a fight between light and darkness. Many people in darkness know me and spare doing evil things for me to forget Jesus. What a night of terror. Where are the real protectors? Sending my son to steal from me and attacking the inconsiderate/cold act to the bank - more cold.

About 2:45am a man passed with two bags - very heavy and loaded. It appeared to be money. I had come out from my room and told him "tell M.P.D to put back my money". I was getting a headache from the gadgets/devices being used.

I had only started to feel a little better after getting mental and physical blows from the defendants about twelve (12) hours before. At both sides of my ear lobes they pained. My eyes weak and sleepy. I noticed my eyes have become very droopy. I don't know what damage the defendants did to them lately - I know it is bad. I never smoke in my life. Jesus is my fire.

I am still so badly traumatized and shock

by it all and don't know if I'll get over it. Only some can/would tell. The wheel on my push-cart gave away which made it even more difficult to push. My two pelvic area is still weak too.

Coupled the two and got an excruciating disaster. No support under dead weight. Shortness of breath more problems. I had to stop to catch my breath when pushing my three wheel cart. Pierced soles of feet with swollen ankles. That is the icing on the cake. What a night of terror.

N.Y.P.D cannot begin to financially compensate me or my son. NYPD may have to borrow from Federal Reserve. I am holding NYPD accountable unconscionable and inhumane crimes.

I don't believe these officers #4434; #4454; #4455 and #3028 are one hundred percent human. It appears to me an additional unseen force is operating through and inside them. I saw the unseen force that night as I looked "it" straight in the eye. Discerns. Knows "it" when faced with "it".

I knew it is not by accident NYPD keeps popping up where ever I am. I don't know if there is now a special/specific reason for doing so. What I do know most times they act different and all the times they showed up so far NYPD took my money. Is it help or revenge? I knew it is more than policing. I feel rage and hate coming from and out of NYPD. Just about everyone is envious and talking about the "rock".

- Someone said "lend me your house".

About 4:35pm (Sunday) a group showed up on Sterling platform. I heard them and good them

swiping in. That comes under the headline of
taking advantage of other people in the company.
Who said my money belongs to you all?
Fire them - fire all of them. They left at 4:55 pm.

Moving on. Some one invested in me without my knowledge. They did the same to Mr. Frost. Without getting into details. They have created an "attractive" package plus the investment. The catch - they are selling it back to me. I believe they ran the same pitch by Mr. Frost.

The investment they used is my money. The package - my money too. The water is coming from my pool. For over some time they have been coming to Amazon/me for all their fulfillment for themselves and the package.

If first asked I would never take that package. I am not open to that form of conception and view it as messing with God's original way of creation.

There is no foundation here only bullies, manipulation and money hungry demons. Push innocent victims against a wall and shove bitter pills down their throats. Devily eye other people's money and secretly wishing it was in their pockets.

Sorry you wasted precious time on manipulative stuff. I not biting - I am not interested at all. You have taken the contents and intentionally mixed it up to create a confusion callaloo. You are evil, wicked and vindictive.

Anything I say subconsciously I count it null and void. That appear to be a "part" of the issue here on could it be the defendant's putting words in my mouth. I am clueless - yes clueless. There is no foundation. No money for manipulators, no money for subtle bullies and no money for dream projectors.

I am holding the defendants accountable of cold-hearted and unconscionable acts. Conducting business with a neurologically damaged person subconsciously - no other form of communication. It appeared to me this defendant was paid by another to create and cause mayhem and madness.

All my desire is - is to get into my house not sell me back my stuff. The defendants have homes for me. A young man showed up on the Borough Hall platform showing me his new house key. He appears to be confused based on his actions. He squeezed my bottom twice at two different times unexpectedly.

He had two phones stealing from me financially. I tried to recover part of the money. I don't want to go to his apartment or the "packaged" apartment but my luxurious house. I would not accept a counterfeit or substitute. The defendants need to accept responsibilities and deliver. The defendants need to stop blocking the door. The defendants need to stop recreating the same problems slightly different.

I am holding the defendant accountable of time wasting. Time wasting have destroyed my family and caused us not to have a life. Time wasting has caused me to die a long time ago. I know it is only Jesus who have revived me and is keeping me alive. Time wasting is causing others to suffer who are in desperate need of spiritual and physical healing and help. The defendants know the profile and resume of one defendant is problematic but I continue to suffer at their hands.

PS I would be forwarding all bills to the defendants.

PART (11)

As I got inside car # 6534 a train conductor told me go to the next car. There were about 10 other riders inside that car a couple hours ago.

I said to him "if there was a reason for saying that to me".

I told him "that was different treatment and he should not have told me that".

I told him I am getting off completely and taking the next train.

The next train came at 2:04pm (today) Sterling platform.

I believe she reacted that way because of this order I am about to submit 3/9/21.

Early this morning 12:30am I was pushed out a TD Bank nook at the corner of Fulton and Spring (not quite sure) of Spring. NYPD passed by at the time the inside guard told me to leave. A man passed by at that time also. He broke away from a group of night workers on Maiden Street. All of them stole.

I can't breathe. I just want to go to my house not look for a new nook at 1:00am in the cold. It was spitefully done.

RELIEF (2)

pain and suffering.

I would like to ask the court/^{team} to hand over all keys to my Archbishop and new compensations.

I would like to ask the team and court to prosecute wrongful action - fire and withhold salaries.

I would like to ask the court and team to compensate all my family members who have suffered at the hands of the defendants. A couple of them have suffered much more painfully than ^{the} others.

OTHER RELIEFS:-

I would like to ask the court/team to investigate Mr Isaac Issues/case and immediately arrest and jail evil-doers. Compensate my brother for a total transformation of his life and lifestyle, shock, behavior alteration, protection pain and suffering.

Warn evil doers all plus manipulators to stay away from him and his apartment. Restore all what was taken out of him.

Please get Joel personal part time help to check in on him, bring all his ③ meals daily. Bill me. Thanks.
